We wish to welcome to the Altar Server Ministry 5 New Servers:

**Joe Alonso, Annaliese Bacon
Peter Keeven, Isabel Schneider and Luke Van De Heede**

I would like to ask our senior servers who are scheduled with the new servers to please help them through their first Mass. Remember, there are no mistakes when serving and Father will also help you along the way. Thanks to our new Servers for being part of this very important and much need Ministry to our Parish. Also, I'm enclosing a Mass Preference Form for the All Saints Holy Day Mass in which servers are needed. Please volunteer if you can. Thanks.

**Happy Thanksgiving to all!
Suzie**

Dear Altar Servers,

I want to personally thank you for your willingness to serve as an altar server at Sacred Heart Parish. The ministry that you do is a great privilege. It is service to Christ Himself and to the People of God. Did you know that the ministry of Altar Server, sometimes called an acolyte, is among the earliest of all liturgical roles? Only the ministries of the presider (priest) and deacon have a longer history and a place closer to the altar during the celebration of the Eucharist. Apart from your specific duties, your reverence and the way you serve at the altar helps to create an atmosphere of worship for everyone at Mass. Without your help, our celebration of Holy Mass or the other sacraments might go less smoothly or be less solemn. All the members of Sacred Heart Parish thank you, and we know that we can expect you to offer your very best to Jesus who becomes present on the altar.

Once again, thank you for your service to your Parish.

Fr. Mark DeSutter
Pastor

Fr. Matthew Cole
Parochial Vicar
