**“THE FOUR SIGNS OF A DYNAMIC CATHOLIC”**

**The Prayer Process**

1. **Gratitude:** Begin by thanking God in a personal dialogue for whatever you are most grateful for today.
2. **Awareness:** Revisit the times in the past twenty-four hours when you were and were not the best version of yourself. Talk with God about these situations and what you learned from them.
3. **Significant Moments:** Identify something you experienced today and explore what God might be trying to say to you through that event (or person).
4. **Peace:** Ask God to forgive you for any wrong you have committed (against yourself, another person, or him) and to fill you with a deep and abiding peace.
5. **Freedom:** Speak with God about how he is inviting you to change your life, so that you can experience the freedom to be the best version of yourself.
6. **Others:** Lift up to God anyone you feel called to pray for today, asking God to bless and guide them.
7. Finish by praying the Our Father.
