

Sacred Heart Catholic Church

Memorial Garden
Moline, Illinois

The Sacred Heart Memorial Garden is a special area of beauty and tranquility on the campus of Sacred Heart Catholic Church. The garden commemorates the living and deceased members of our families and friends. It is a special place of prayer and meditation for all, to rest a while with the Lord and be refreshed in spirit.

You are invited to be involved in the garden by purchasing a living plant item or engraved paver for yourself or a special person or event in your life. You or the person you are commemorating do not need to be a parishioner of Sacred Heart. You may also donate money for the garden's maintenance. Our Garden Committee is in charge of maintaining this beautiful area.
