*Sacred Heart Parish - Mission Statement... We at Sacred Heart parish are a welcoming and diverse community rooted in our Catholic Faith and rich heritage. Through worship, evangelization, ministries, service, parochial education, and lifelong faith formation, we are called to build the kingdom of Jesus in this time and place.*

*Parish Pastoral Council*

Dear Parishioners,

The construction of our church addition will be starting the first week of June. This will necessitate the closing of the East Door of the church. This is a popular entrance to Sacred Heart, but there is no avoiding this. The east parking lot will be the staging area for construction. We are going to provide handicapped parking on the street in front of the church. We also are going to add several handicapped spaces across the street. Please do not block the steps in front of the church.

This is going to be an inconvenience for a few months. People will need to park around the Junior High building and in the street.

I would encourage people to use the wheelchair ramp who are on walkers and are in wheelchairs. The bad news is that this will be a hardship. The good news is when the construction is over, we will have three more entrances to the church that anyone can use.

Please continue to pray that St. Damian de Veuster will intercede for us as we continue to raise funds and complete construction.

Fr. Mark

P.S. Bishop Robert Barron has a popular podcast each day. Did you know that you can get this presentation on our My Parish App that you can download to your phone? We tried to get people to download this software. We would like to push this again now. If you would like to find out how you might do this call our office and we can get you the information.

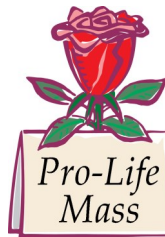

### Listening Campaign

We would like to thank all of the participants in our recent campaign. The time you gave to offer your thoughts and ideas on our parish and could improve parish life in our community was inspiring.

The parish council is working on some of the initiatives derived from the campaign. As teams are developed and action plans are put in place we will share those plans in detail.

We are deeply indebted to everyone involved in the project and are anxious to bring our initiatives to life.

## RELIGIOUS EDUCATION CORNER

Remember Vacation Bible school is the week of July 11th. If you are interested contact Debbie Patronagio at [dpatronagio@sacredheartmoline.org](mailto:dpatronagio@sacredheartmoline.org)

- ◆ We look forward to seeing everybody back for Religious Education in September after Labor Day.

As we have come to the close of another year of Sacraments it is never too early to think about catching up on Sacraments missed. Our First Holy Communion and Confirmation classes are a 2-year program as outlined by the Diocese of Peoria. First Holy Communion is completed in 2nd grade and Confirmation in 8th grade.

RCIC - (Rite of Christian Initiation for Children) is the program used to catch children up who have missed the normal timeframe for Sacraments.

This summer we will begin the first part of the Sacramental program and then students will be ready for their final year of learning when we start back in September with making their Sacraments in the Spring.

This is also a good time to get your children Baptized if life got away from you and your children are older and are in need of their sacraments. Our next Baptismal class is in June 28 at 7:00pm; this must be completed before the Sacrament of Baptism can be planned.

If you have any questions or would like to look into getting caught up, please contact Debbie Patronagio DRE at [dpatronagio@sacredheartmoline.org](mailto:dpatronagio@sacredheartmoline.org) or call the office at 309-762-2362
